Attention Graduate Students

The deadline for the "Tez Savunma Jurileri" for the 2020-2021 Academic Year Spring Semester is 10 September 2021.

Until the deadline, the Committees must be completed, and documents must be submitted as follows.

Thesis Defense Juries to be held in the form of video conferencing

- Video-conference recordings will be recorded by the advisor. Upon the request of the FBE, records will be requested from the advisor.
  The official report form must be printed, signed by the first jury, and then scanned and sent to the next jury member. This process must be followed by all jury members. The copy of scanned report, including signature of all jury members, printed, and signed by the advisor must be sent (serdark@metu.edu.tr) with transcript
  (In the e-mail, the text of the explanation stating that “the committee is made online and the defense recording is kept by the advisor” should be stated.)
- The jury members who are not able to print/scan documents can sign the official report in digital environment.
- The jury members who are not able to print/scan documents can report their decisions to the advisor by e-mails sent from their corporate (edu.tr extension) e-mail addresses.
- If there are students who are given additional time as a result of the jury; The report prepared and signed by the jury president must be sent by the advisor with other documents.
