

To the attention of the MSc-PhD Students,

The deadline for the “Tez Danismani Atama ve Tez Basligi Belirleme” for the 2021-2022 Academic Year Spring Semester is February 11, 2022.

Master students are required to complete their thesis supervisor appointment procedures until the end of first semester, while Ph.D. / Integrated Ph.D. students are required to do so until the end of the second semester.

Considering the periods mentioned above, students who do not complete their thesis supervisor assignment and thesis title specification procedures (For thesis studies) in 2021-2022/2nd Semester through “71.0 Ms Phd Advisor Assignment” Program, will not be given the right to register courses in interactive registrations.

Department approval and submission to FBE institution, "Thesis Advisor Appointment Form" is sent via e-mail.

Graduate program students must complete courses and determine the thesis title related to their area(option) they were accepted. With the supervisor they have chosen, they can only carry out thesis studies in the area they were accepted. Thesis completion juries will be formed and evaluated in the field of accepted area.

Procedure:

- a) Downloading and filling the “EE MS-PhD Danışman ve Tez Adı Belirleme Formu” at <http://eee.metu.edu.tr/formlar> and then faculty member who is registration advisor and thesis studies will be carried out, must sign the form
- b) - Registration and thesis advisors who do not have the opportunity to print / scan documents can sign the form digitally or e-mail the relevant student that they have approved the form.

Thesis Advisor Assignment Approval Program (71.0 Ms Phd Advisor Assignment)

- The entrance of the information (Thesis area (Accepted option) - Thesis title specification, assignment of thesis supervisor, abstract –summary information etc.)

- The Completion of approvals (student and assigned supervisor)

Sending the Application

After completing the procedure, STUDENT should send an e-mail through their METU account (...@metu.edu.tr) to oznuray@metu.edu.tr (Nuray Özer Bereketli). The assigned advisor and registration advisor should be added in the cc. The advisor assignment form and if the form assigned through mail then the related e-mail(s) should be attached in the e-mail as an .pdf document.

You can access detailed explanations about the subject at <http://eee.metu.edu.tr/tr/node/935>
